stop your Lung Irritation, relieve your Sore Throat and drive out your Chronic Cold, with the only certain, and strictly scientific, Cure for Coughs and Colds:

DR. KING'S NEW DISCOVERY

Almost in Despair.

"Our little daughter was given up by two physicians with consumption of the throat, and we were almost in despair, when our druggist recommended Dr. King's New Discovery. After taking four bottles she was perfectly cured and has had no throat trouble since."

Cheer Up!

Cheer Up! Your ills are largely photographs. Look pleasant! Of course. You have your troubles; a whole lot of things bother you, of course. You find life a rugged road whose stones hurt your feet. Nevertheless, cheer up.

It may be your real disease is selfishness—grown selfishness. Your life is too self-centered. You imagine your tribulation are worse than others bear. You feel sorry for yourself the meanest sort of pity. Bid yourself of that, and cheer up.

What right have you to carry a picture of your woe before face and funeral ways about among your fellows, who have troubles of their own? If you must whine or sulk or scowl, take a car and go to the wood or to the unfrequented lanes.

Cheer Up! Your ills are largely imaginary. If you were really on the brink of bankruptcy, or if there were no thoroughfare through your sorrow, you would clear your brow, set your teeth, and make the best of it.

Cheer Up! You are making a hypothetical case out of your troubles and suffering from a self-inflicted verdict. You are borrowing trouble and paying a high rate of interest.

Cheer up! Why, in a ten-minute walk you may see a score of people worse off than you. And here you are digging your own grave, and playing pallbearer into the bargain. Smile even though it be through your tears, which speedily dry. And cheer up.—Rock Hill Record.

In Praise of Chamberlain's Cough Remedy.

There is no other medicine manufactured that has received so much praise and so many expressions of gratitude as Chamberlain's Cough Remedy. It is effective, and prompt relief follows its use. Grateful parents everywhere do not hesitate to testify to its merits for the benefit of others. It is a certain cure for croup and will prevent the attack if given at the first appearance of the disease. It is especially adapted to children as it is pleasant to take and contains nothing injurious. Mr. E. A. Humphreys, a well known resident and clerk in the store of Mr. E. Lock, of Allice, Cape Colony, South Africa, says: "I have used Chamberlain's Cough Remedy to ward off croup and colds in my family. I found it to be very satisfactory and it gives me pleasure to recommend it." For sale by Obeard Drug Co. and all medicine dealers.

An Ecclesiastical Hat.

A milliner who works in a large city says that one day a woman came into the store very much excited and wanted the trimming on her new hat changed. She said that it had been trimmed on the wrong side.

"But," said the saleswoman, "the trimming is on the left side. That is where it ought to be."

"It doesn't make any difference whether it ought to be in front or back or right or left, it's got to be on the church side."

"Church side!" gasped the astonished girl.

"Yes, church side! I sit right next to the wall in church, and I'm not going to have all that trimming next to the wall. I want it on the other side, so the whole congregation can see it."

The trimming was promptly placed on the "church side" of the hat.

New Cure of Epilepsy.

J. B. Waterman, of Watertown, O., Rural free delivery, writes: "My daughter, afflicted for years with epilepsy, was cured by Dr. King's New Life Pills. She has not had an attack for over two years." Best body cleansers and life giving tonic pills on earth, 25c at Jno. H. McMaster & Co.'s drug store.

Give Us Galluses.

The "gallus" marks the free-man and the man of genuine, unpretending culture and civilization. Your snob and your savage abhor it. Mesopotamia the wild Lashibazock wears a belt in Yucatan the Indian wears a girdle of shark's teeth; in Senegambia the shameless cannibal sports a gunny sack; in Atlantic City a few years back, the dudes used to wear sashes. But find a man who, when he throws off his coat to begin his daily toil, lays bare a pair of heavy sky blue galluses and you'll find a man who pays his way in the world, loves his wife, rears his children in the fear of the Lord and votes a straight ticket.—Baltimore Sun.

Outwits The Surgeon.

A complication of female troubles, with catarrh of the stomach and bowels, had reduced Mrs. Thos. S. Austin, of Leavenworth, Ind., to such a deplorable condition, that her doctor advised an operation; but her husband fearing fatal result, postponed this to try Electric Bitters; and to the amazement of all who knew her, this medicine completely cured her. Guaranteed cure for torpid liver, kidney disease, biliousness, jaundice, chills and fever, general debility, nervousness and blood poisoning. Best tonic made. Price 50c at Jno. H. McMaster & Co.'s drug store. Try it.

PORTION OF R. J. REYNOLDS TOBACCO COMPANY'S PLANT 1908

The Largest, Best-Equipped and Cleanest Flat Plug Tobacco Manufacturing Plant in the World

The Reynolds factories, equipped with every modern appliance for producing the best chewing tobacco by a clean, sanitary and healthful process, under the direction of men who have made the business a life study, are located in the centre of the Piedmont tobacco belt, known to the world as the best productive soil for tobacco with an aroma so delightful, pleasing and appetizing that it created and popularized the fondness for chewing tobacco.

Only choice selections of this well-matured, thoroughly cured leaf are used in SCHNAPPS and others of the high-grade Reynolds brands, and expert tests prove that this tobacco requires and takes a smaller

amount of sweetening than any other kind, and has a wholesome, stimulating and satisfying effect on chewers.

SCHNAPPS is the brand that made the Reynolds factories famous as the manufacturers of the best and most popular brands of chewing tobacco, and made necessary the enormous growth

Schnapps

from a small factory in 1875 to the largest flat-plug factory in the world.

The men who started the

Reynolds Co., in 1875, are directing it to-day. There are a greater number of manufacturers making imitations claimed to be just as good as SCHNAPPS than any commodity manufactured; yet there are more pounds of SCHNAPPS chewed than the total amount of all imitative brands, or tobacco of similar appearance.

Be sure the letters on the tag and under the tag spell S-C-H-N-A-P-P-S, and you will have the genuine.
